

ForeScout Technologies to Hold ASC-606 Update Call on March 15, 2018

March 5, 2018

SAN JOSE, Calif., March 05, 2018 (GLOBE NEWSWIRE) -- ForeScout Technologies, Inc. (NASDAQ:FSCT), a leading Internet of Things (IoT) security company, today announced that it will hold a conference call with financial analysts and investors on March 15, 2018 at 1:30 p.m. Pacific time (4:30 p.m. Eastern time) to discuss the Company's transition to ASC 606, the new accounting standard which ForeScout adopted as of January 1, 2018. During the call, ForeScout will review the financial impact of new ASC-606 rules on prior reported periods as well as update Q1 and full year 2018 guidance under the new accounting standard.

Interested parties may access the conference call by dialing either (855) 659-9329 or (615) 247-5915 using the passcode 85997349.

A live webcast will be accessible on ForeScout's investor relations website at investors.forescout.com. A telephonic replay of the conference call will be available through Thursday, March 22, 2018. To access the replay, interested parties should dial either (855) 859-2056 or (404) 537-3406 using the passcode 5997349.

About ForeScout

ForeScout Technologies, Inc. helps make the invisible visible. Our company provides Global 2000 enterprises and government agencies with agentless visibility and control of traditional and IoT devices the instant they connect to the network. Our technology integrates with disparate security tools to help organizations accelerate incident response, break down silos, automate workflows and optimize existing investments.
